## Rianne Mikhaela Malixi

**Q. We will done to make it through to the match-play stage here at the Women's Amateur Championship. It was a tough couple of days of stroke-play qualifying, wasn't it?**

RIANNE MALIXI: Yes, it was. First day was super windy and I just lacked the discipline to settle my target than just commit to it. I made some silly mistakes the first round, and adjusted the second round. Took advantage of the calm weather and less windy conditions.

**Q. Were you excited to qualify for the match-play stages?**

RIANNE MALIXI: Yes, I was. Played really well today. Had it go in the first few holes. I was 3-up going into 5 or 6 and then doubled 9 and went back to 2-up. Then Sarah won 11 and 12. She won three straight holes on the back nine. Then I made a couple birdies on 16, 17 but couldn't get it. That's okay.

**Q. Your birdie putt to extend the match, you went for that.**

RIANNE MALIXI: Yeah, one of the good putts today. On the back nine, I just couldn't get putts to drop and then kind of suffered a few holes there. Could have won some but didn't happen. So that's golf.

**Q. Is this your first time playing the Women's Amateur Championship?**

RIANNE MALIXI: Yes, my first time here, also in the U.K.

**Q. Incredible experience this week, isn't it?**

RIANNE MALIXI: Yes, our first time playing real links. I've experienced similar ones but not as windy as this one.

**Q. What do you feel like you've learned this week?**

RIANNE MALIXI: I wasn't feeling well with my swing at all. I just tried to make it work and then yeah, I had it going today despite the uncomfortable situation going on.

# R&A THE WOMENS AMATEUR CHAMPIONSHIP

But yeah, I think the way I carried myself today, I was proud of myself. Tried to make things work, and yeah, I put on a big fight there.
