# R&A THE WOMENS AMATEUR CHAMPIONSHIP

**Q. This has been an incredibly long week. When you look back, obviously winning will be the highlight, but what else have you learned from this week?**

CHIARA HORDER: I just learned to do step-by-step. It's so many matches. It's so many holes versus stroke play. That's one step.

And then all these matches, it's just step-by-step, and then getting here, it's another step. Yeah, I got some rest after all these rounds and stayed calm.
