Lottie Woad

Q. Well-played today. You must be pleased to get off to a good start?

LOTTIE WOAD: Yeah, definitely. The back nine was pretty tough with the wind, so just kind of hitting -- trying to hit the greens and make pars.

Q. Is this your first time playing here?

LOTTIE WOAD: Yeah, it's my first time playing here. It's really good. Played a lot different to the practise round. With the wind it was pretty still yesterday.

So it was a lot easier yesterday and today had a lot longer clubs into the holes.

Q. Does it help at this stage of the week, very early stages, but this kind of gusting wind is going to be a good grounding?

LOTTIE WOAD: I think so. I wanted it windy. I feel like we are more used to this, playing in it all the time. So I'm happy the wind came.

Q. Are you looking forward to obviously going through to tomorrow, getting through stroke play and then to match play?

LOTTIE WOAD: Yeah, definitely. Trying to keep playing solid and then just restart for the match play.
