## Anna Foster

**Q. A defeat but do you take the positives from how far you went this week?**

ANNA FOSTER: Yeah, television, if someone had told me beginning of the week you made it to the quarterfinals I would have bit their hand off, especially to be kind of the last out girl for a few rounds, like it felt special and having all the surprise part of members and I enjoyed it, and it's meant to be for Louise. She didn't really make a mistake. Yeah, I'm happy enough.

**Q. On the back nine, she was fairly ruthless, as you say, didn't make over are, you hoped she slipped up but it didn't happen?**

ANNA FOSTER: Yeah, I felt like some shots were going her way where they could have gone either way, and 12 was a big moment. I hit a really good shot in just kind of bounced over the green, and that up-and-down from back there is pretty brutal.

Then on 13, almost making that par putt as well, I could tell it was like kind of tough to get momentum. So I'm still trying to hang in there but it was definitely hard to break in.

**Q. Great crowds as you said, did you take the positives of that? Did that help your performance?**

ANNA FOSTER: Yeah, it was really fun to have all those people around and they were wanting me to do well. So I tried to enjoy it as much as I could.

**Q. You said you were surprised to go it far but I think it shows the quality that you have that you've done it?**

ANNA FOSTER: Yeah, I think it's more self-confidence and inner belief than anything else. It's kind of the last like few weeks, I guess, has shown me that I am like a good prayer and I deserve to be where I am. It's kind of a nice for me to be able to look back at the last two weeks and kind of say, well, good job, you did well.

**Q. What's next for you?**

# R&A THE WOMENS AMATEUR CHAMPIONSHIP

ANNA FOSTER: European Team Championships in Spain. So that will be really fun with the girls. Looking forward to it.
