## Juan Postigo

# THE G4D

OPEN

**Q. A tough day out there, wasn't it, for you?**

JUAN POSTIGO: Yeah, really didn't feel great. I start pretty well playing the first few holes but then I didn't know how to manage my swing all the day and was not able to score very well.

**Q. Tell us what happened, was it 15, was it, where you were in the trees? Tricky?**

JUAN POSTIGO: Yeah, it start on 6, I bogeyed the par 5 With The Drive and then 15, I was in the trees, I hit the trees two or three times and I ended up with seven. To be fair, I had a big gap and I hit middle of the tree -- no chance to hit the tree. Seven there and I finish, unlucky bogey on the last but still we are five, six, seven shots from those guys. I know I can score low. I know they can score high, also, so I hope to be -- to have a chance tomorrow.

**Q. Did the wet, slippery conditions cause you any specific issues? Do you have to be a bit more sort of careful out there?**

JUAN POSTIGO: Probably. There were two lies out there on the 6th, on the rough on the left was quite tricky and when I hit it on the 15th hole, my ball, it was tough to find it in the mud. But yeah, no excuses really. I didn't play well and that's what happened.
