## Mike Browne

# THE G4D

OPEN

**Q. Mike, not the best day at the office then, what was the problem today?**

MIKE BROWNE: For me, putting. I couldn't get the -- the greens were just personally for me really slow. So I just couldn't get there, the pace of them today. I had six or seven 3-putts, and that's not what you want going into a tournament. So going to have to do some work on that and see how we go tomorrow.

**Q. What about the rest of your game?**

MIKE BROWNE: Yeah, tee-to-green, I'm playing probably some of the best golf I've ever played tee-to-green, but yeah, I'm usually a good putter. But I just really struggled on these today and I was leaving them four or five feet short and that's not very good, you know, and then so yeah, we got to do some work on that.

**Q. You all know from the G4D tour events, you've won three of them and it's all about patience. Do you think you still are in with a chance?**

MIKE BROWNE: I haven't looked at the scoreboard yet so I don't know where I am or how far I am behind but I mean, like say, tee-to-green, I'm good, so all I've got to do is sort my putting out tomorrow and we're back in the game hopefully and see what we can chase down.
