THE G4D

OPEN

Q You must be delighted to finish second but you obviously wanted first but are you still pleased with second?

JENNIFER SRAGA: It was really bad, my game today. It's totally my fault. Daphne played really good today. Yeah, it was my fault that I am getting second paragraph par but in the end, it's a huge tournament and I could be happy with a second place.

Q Do you think because it was your debut in the championship, do you think you were maybe nervous or what was the reason?

JENNIFER SRAGA: I was unhappy with putting today, and that's why. I was a little bit nervous, of course, but not much more than the other day.

Q How much of a good experience was that for you going forward?

JENNIFER SRAGA: I improved my game, and so I could hold against the other two days, maybe my game is growing and I can win the next time.

Q How much have you enjoyed the week here?

JENNIFER SRAGA: The course is really beautiful. I love it, and I would love to come back here.

Q There are 18 women here this year, seven more than last year. Does it show the kind of growth in the women's game?

JENNIFER SRAGA: It's getting bigger and especially the women's field is getting bigger. It's also a really great tournament and really organised. I feel a little professional.
