Ivan Verster

R&A
AFRICA AMATEUR
CHAMPIONSHIP

Q. Ivan, not the result you wanted today, but you played fantastically through?

IVAN VERSTER: Pretty heartbroken at the moment. I mean, I played unbelievable golf for the first three rounds, so I'm really happy with my performance.

Q. How has the experience been overall this week? What have you enjoyed mainly about the championship, first time it's been here? What have you enjoyed?

IVAN VERSTER: Just everything. The R&A is just absolutely incredible. I played SA Open last year, and to me this is even more special than the SA Open.

To me it's really been a special week to be here at Leopard Creek. It's my favourite place in the world to be. It was my mom's dream to have a house here. Unfortunately she passed away 10 years ago, so really emotional place.
