AFRICA AMATEUR
CHAMPIONSHIP

Q. How did you enjoy today's performance?

LISA COETZER: Yeah, I played really well today. I just stuck to my plan that I made on the practice rounds. Other than that, it was really hot, but I managed to drink a lot of water and stay cool, which is probably one key to this golf course is to stay cool and then just miss it in the right spots, which I did really well.

Q. I know you had that double at the last, but you were going really well in the round. You must be really pleased.

LISA COETZER: Yeah, I'm really happy. I'm really proud of myself for how I managed myself out there because it's really hot and you can really quickly lose your head. It's really hot, and I managed myself out there, and I'm really proud that I could do it.

Q. How much are you enjoying playing Leopard Creek?

LISA COETZER: Oh, it's amazing. It's one of my dream courses to play and it's probably my favourite golf course now that I've played at. It's amazing to be here, and I'm really excited that I'm here.
