## Michael Karanga

R&A  
**AFRICA AMATEUR**  
CHAMPIONSHIP

**Q. Okay, Michael, 2-under par, 70. How pleased are you with that performance?**

MICHAEL KARANGA: I'm very happy today with my performance, my two days' performance. Yesterday 4-under, today minus-2. I'm still in contention.

**Q. What were the highlights of the round for you? What were the best parts of the round?**

MICHAEL KARANGA: Today it was a bit tough. I played -- I had some bogeys yesterday. Managed my game, I didn't get bogeys, but today there was bogeys and I left some few putts which I could have made and go even deeper.

**Q. And you're obviously contending into in the weekend. Sitting in second place just now. How much confidence does that give you for the two rounds ahead?**

MICHAEL KARANGA: Now is good because now I'll be in the pressure group probably competing with the best; it's a privilege. Hope to show them my skills.

**Q. Do you find that you're now adapting to Leopard Creek and being able to understand the course better?**

MICHAEL KARANGA: Yeah, yeah. The days I've played from the practice round up to now I've learned something on the golf course. As I said yesterday, just keeping the ball in play and you can score.

**Q. Looking forward to tomorrow; going for another low score?**

MICHAEL KARANGA: Even lower. My target is play 6-under.
