Lisa Coetzer

R&A
AFRICA AMATEUR
CHAMPIONSHIP

Q. Lisa, you ended the round at level par today with a great birdie on the last hole. Can you tell me a little bit how you're feeling after that round?

LISA COETZER: I'm feeling pretty good. I just had one hole that messed me up a little bit, but I'm glad I could come back from that mentally. I made a couple birdies. Pretty good solid round. Looking forward to tomorrow.

Q. It's warm today; how testing are the conditions out there?

LISA COETZER: They're really testing. The girls teed off in peak heat. It's tough to keep mentally, physically pushing the trolley here caddying for yourself while playing good golf and keeping mentally right. It's really tough and challenging. It was a good test.

Q. This is your second time playing the African Amateur, and you're just 15. You're in a good spot at the moment. How does that make you feel?

LISA COETZER: I'm really happy. Just to be here is just such a blessing, and to play the golf I am right now is great. My coach and I have been working towards this, and just to come back from what happened on the 11th today was exactly what we're working towards, just to come back from that.

Yeah, I'm really happy to be here at such a young age. It's such a good experience.

Q. What's the game plan for tomorrow?

LISA COETZER: Game plan stays the same. It'll be a bit cooler, so it'll probably be a little bit easier from a physical point of view. But the game plan stays the same. My game was pretty solid today, so we'll keep it the same.
