## Garrick Higgo

### Quick Quotes

**Q. Tell me what today was like in these difficult conditions.**

GARRICK HIGGO: Yeah, it was tough. You could have seen that just watching -- there was a lot of crosswinds that kind of was in and down and then down that made it tough to choose, and it's already a hard golf course.

**Q. When you have to choose highlights of your round, what would you say?**

GARRICK HIGGO: I think I made a few good saves, made some nice putts. I actually hit some good shots that I feel like got punished a little bit early on. And then I was in some stinky spots like long on the greens. It looked like I hit some bad chips, but I think I hit some good shots, and I made some good saves.

**Q. To be in contention, this close, how do you --**

GARRICK HIGGO: Yeah, it's new, but I think I'm just enjoying it. This is what we practice for. It's not something I'm trying to shy away from.

**Q. How do you embrace it?**

GARRICK HIGGO: Just the same. Just try and hit good shots. I think the beauty of it is that the only way you're going to get it done is hitting great shots, and as a golfer, that's all we want to do.
