Quick Quotes

Q. Positives of the week?

SERGIO GARCIA: Not many. Positives, obviously making the cut. Being here for the weekend. Not finishing last on Sunday.

But other than that, not a lot more. Too many terrible shots.

Q. And that was the struggle of the week, are you working on things you need to improve?

SERGIO GARCIA: Yeah, definitely, it's something I need to get better at.

Q. You're on LIV now for the rest of the season. Whatever comes, Ryder Cup is always there?

SERGIO GARCIA: It is there if I play better. Obviously the way I'm playing, even if Luke offered me a pick right now, I would tell him no. So obviously I need to get better. I need to get more where I was just before the Masters. You know, just show myself and show everyone that my game is solid, and it can help the Team Europe. It's as simple as that.

The good thing is that there's still, you know, two or three months until the team is finalized. So you know, I'll have time to gain some confidence and improve a little bit on my game.
