Quick Quotes

KEEGAN BRADLEY: Happy with the way I came back. Fought back today. Got really tough out there.

Q. Double points this week. Seems like playing captain thing is going a little bit closer to reality?

KEEGAN BRADLEY: Yeah, I don't know. I'm just trying to be a player right now. Honestly it's not even crossing my mind at this point.

Q. It wasn't something you were thinking about coming into the weekend?

KEEGAN BRADLEY: No. I'm the captain right now. If we get down to the Playoffs and I'm in the picture then I'll start thinking about it. But I'm thinking of myself as a player first.

Q. Are you still in the mindset that you need to be in the top six to be there?

KEEGAN BRADLEY: Yeah.

Q. How much leaderboard watching were you doing in terms of what Scottie was doing?

KEEGAN BRADLEY: A little bit. Again I'm trying to do my own thing out there because I got off to such a bad start that I really had no chance to catch Scottie but I think he's got a big lead right now, which I'm thrilled about.

Q. Is it surprising to see him come back to the field?

KEEGAN BRADLEY: No. It's so tough out there. I don't have the details but he got himself back together and he's going to win a good mile hopefully.
