

KPMG Women's PGA Championship

Thursday, June 22, 2023
Springfield, New Jersey, USA
Baltusrol Golf Club

Nanna Koerstz Madsen

Press Conference

Q. Talk to me about your round. What went well for you today? You looked pretty satisfied, which you should be.

NANNA KOERSTZ MADSEN: Yeah, I was happy with the score. It was tough. It was wet in morning, but I played solid from tee to green. I would have liked a bit more putts to drop. Whenever I was out of position, I made a good par, so it was good.

Q. What is the key to this golf course? It's a great golf course, but there's things that are going to be key.

NANNA KOERSTZ MADSEN: Yeah, I think when you hit a bad shot out here, you're not being punished crazy, as long as you take your medicine, then get the ball back in play and not make some crazy mistakes out there, then you should be fine. The green areas are really tough with the rough. No first cut, so stay maybe a little below the hole sometimes.

Q. You keep playing better at the majors, especially at the beginning. Pars are good, bogeys can be acceptable sometime. What's going to be the key to the end of the week for you?

NANNA KOERSTZ MADSEN: If I can play the way I played today, hit some fairways and make a couple more putts, then I think I should be good for the week.
