## Allisen Corpuz

### Quick Quotes

THE MODERATOR: All right, here with Allisen Corpuz. 2-under here to the KPMG Women's PGA Championship. Just take us through the round today and the challenges of the golf course that you saw out there.

ALLISEN CORPUZ: Yeah, played pretty solid throughout the whole round. Made I think one bogey, three birdies.

There is just a few par-4s I think that played pretty tough just with the distance. Luckily hit it pretty straight today. Hit a lot of fairways and greens.

But it does feel like a course where once you're out of position it's tough to get back on track.

**Q. You're a major champion; found success on tricky golf course. What do you like about this course?**

ALLISEN CORPUZ: I love the look of it. It's just pretty different from anything we play, tree-lined and really tall trees.

It's just a beautiful walk. I mean, you go out there and it's just a few doglegs, and I really like how the course sets up. Just feel like every major championship plays tough and it's fun.

**Q. Being an Open champion, what is wired inside you that likes the tough stuff?**

ALLISEN CORPUZ: Yeah, I think just the grind for par. Still kind of working on going on like the birdie streaks, but I feel like weeks like this where par is always going to be a good score, I'm just pretty good at staying calm and, yeah, just playing it a little safer.

**Q. Can you take us through couple of your birdies?**

ALLISEN CORPUZ: Yeah, birdied 18 to make the turn.

Birdied I believe it's 14 up the hill. Hit a 5-iron to like three feet.

Birdied No. 6, another par-5. Got it up greenside and made an up and down from about 40 yards.

And, yep, three of them.

**Q. After such a monster year last year, has there been a period of readjusting expectations? And kind of how have you managed that looking into what you expected for this year?**

ALLISEN CORPUZ: Yeah, I really came into the year trying not to set the expectations. I think it still happened anyway. You're always trying to get better.

And I mean, it feels like the game has been coming around. Definitely feels like it's in a good spot now. Yeah, just always trying to work to get better.

**Q. How would you compare it now to Pebble?**

ALLISEN CORPUZ: Pebble I think -- I don't know if I'll ever have a ball striking week that good. (Laughter.)

**Q. It was special. One more. Obviously last week T5. Really good result; ton of birdies out there. How much did that help you prepare for the week?**

ALLISEN CORPUZ: Yeah, Meijer is a course that I've played the last three years. Every simple year I like having it on the schedule. Always falls around the KPMG.

One, just getting the competition in helps. It's just a course that kind of the design suits my eye as well: a lot of fairways and greens that get narrow.

Just getting a little more dialed in on like the driver lines off the tee helps a lot.

**Q. There is a lot of rankings points for the Olympics on the line this week. Is that something that's in the back of your mind that you can make a big push?**

ALLISEN CORPUZ: Yeah, I think it's an outside chance.  
More just if it happens, it happens. But if it doesn't, still  
have a lot of good things to look forward to.
