Charley Hull

Quick Quotes

Q. Some great shots today. Probably thinking about 17 right now. What happened there?

CHARLEY HULL: Well, truthfully, yesterday I hit a shot in the green 30 feet from the pin. Didn't think nothing of it. My mate yesterday goes, what happened to you on 17 yesterday? You nearly hit it in the water. I was like, no I didn't.

Yeah, well, apparently you nearly hit in the water. I was like, no, I didn't. So got to the tee box and I'm thinking to myself, I never nearly hit in the water. Then I'm thinking about the water and just fatted it into the water. It's human.

Q. Seemed like you knew right away.

CHARLEY HULL: Yeah.

Q. Miss-hit it?

CHARLEY HULL: Yeah, just fatted it. Wasn't even in the shot. It was annoying. It wasn't like me. I played so well out there today, and didn't do one thing wrong and got up and down when I needed to.

Q. This is a course where I feel like if you let your guard down it's going to get you.

CHARLEY HULL: Yeah, but I'm still positive going into tomorrow's round. Anything can happen.

Q. Tell me about some of the -- you made a run.

CHARLEY HULL: Yeah, like I literally hit it so good. Made a few good birdies. Just played steady golf. Nice chip in as well.

Q. What happened -- seemed like you cramped up on 6? Brought someone out.

CHARLEY HULL: Yeah, my hip went out so just cracked it back in.

Q. Do you have a hip issue?

CHARLEY HULL: Yeah, I have a bad hip but it's extra bad this week.

Q. (Indiscernible.)

CHARLEY HULL: Yeah, birdie, birdie, birdie. Good drive, good tee shot into 10, good putt, birdie, and then good up and down for birdie on 11 and then holed a nice chip on 12.

Q. (Indiscernible.)

CHARLEY HULL: Yeah, it was good. Yeah, really good.
