### Quick Quotes

**Q. Amy, you're drowning in champagne. I know you love this feeling. This is your 75th major. You've come so close before. Now you get it done. What was different this week?**

AMY YANG: I was -- sorry, I've lost the words right now. It's all the hard work our team did together, and I'm so grateful for that. All four rounds it was tough out there, but I just trusted what I prepared and just I did my best all week, yeah.

**Q. What does this mean to you, this win at this point in your career?**

AMY YANG: I always want to win a major and I came close several times, and I started doubting myself if I ever going to win a major before I retire because I've been on tour quite a while. I am so grateful and very, very like happy to win a major.

**Q. Congratulations on being a major champion. You fully deserve it with your performance this week.**

AMY YANG: Thank you.
