birdied. So I bogeyed the par-3 then birdied straight away. That was kind of the key to getting some momentum back going early. Then from the rest of the nine there, nice solid birdie on 7. Got me going again.

Q. 4-under 68 for you today. Maybe you could summarize your round for us, please.

RICHARD GREEN: Pretty solid round to all accounts. Started pretty nicely. Obviously birdied the 1st. That was pretty good to get the momentum running. Made a couple of good putts in the early part of the round, which just sort of just sets it up pretty much. I felt pretty comfortable out there and some good solid practice with the putter this week. Q. Was there any one or two putts that were real key in kind of keeping some momentum?

RICHARD GREEN: Yeah, absolutely. I missed one earlier, which I said that, but I made another birdie on, I think it was No. 6 I think, or 5. I think I birdied, didn't I? 5, I
