Tim Weinhart

Quick Quotes

Q. Well you're right in the thick of the club pro hunt.

TIM WEINHART: No, Brownie's not going to make double/double. That's not happening. I was playing good. Stumbled a little bit at the turn. 10th hole had my name all week. I made bogey on it three days out of the four. But it's a good golf hole, I just put it in the wrong spot. Never got the speed right on that green. All the other greens my speed was good, but that one right there I never seemed to get it. I don't know why. But, yeah, I hit a poor shot on 11. But I hit a lot of good golf shots today. I hit some good pitches. Pitching in on 16 was nice.

Q. How far were you?

TIM WEINHART: Just over the back of the green and pitched in from probably I don't know, me to the second cart. So probably, I don't know, 15, 20 yards. It went in like a putt. It was perfect. So that was nice.

I didn't putt well this week at all. I feel like if I putted well I could have been under par. I finished plus 6 for the week and made absolutely nothing. So it hit me pretty good. I'm not going to scare 17- or 18-under par where they are, but I think I probably could have shot 5-, 6-under par.

Q. Did you drive it well on the weekend with the new driver?

TIM WEINHART: Yeah, yeah. The TaylorMade came through big time. They're an amazing company. They take awesome care of me. Nike outfitted me head to toe. They're phenomenal. So, yeah, and lots of support from back home. Some good messages.

Q. So when you go home what do you take back to your members from this experience?

TIM WEINHART: Well, we still are learning. We're always learning. I figured a few things out about my golf swing this week even after 40 years of it. So try and use that and

how that works and how that applies to that move, those pieces. Just go to the club and help them. But, yeah, just, I got a full slate. I'm booked solid for the next week and a half.

Q. When are you back on the practice tee?

TIM WEINHART: Wednesday. I was supposed to play a pro/assistant on Tuesday, but that fell through. So one of my assistants one of the other guys that's teaching for me, he couldn't make it, so and the other guys are already playing with the director of golf.
