THE MODERATOR: Questions, please.

Q. How did you feel out there today? Walk us through the match.

LEYLAH FERNANDEZ: Well, she played a good match. She played a good match. I unfortunately did not. I made way too many mistakes on key moments. I had many, many opportunities which I didn't take advantage of.

But I came on court, I was excited, and I was ready to play. Unfortunately I did not execute my game.

Q. How did it feel to play on your home court?

LEYLAH FERNANDEZ: Yeah, it felt great. I was happy to be on court, to be back home. I'm a little disappointed that I did not go to the next round. But I still got doubles with Rebecca.

Tonight I'll reflect on my match, talk with my coaches, and tomorrow it will be a new day.
