**Q. Joining the team midseason, already wanting to win hardware, wanting to win titles, how was the process of transitioning into a leading role and did it help to have players joining like Giorgio and Gareth at the same time to help acclimate and take pressure off of you as well?**

DENIS BOUANGA: I feel very good because I was really welcomed warmly in the group, so it's really easy when you are welcomed in group so warmly and play with so many great players. I feel really happy today to win the title.
