(Mavericks interviews)

Clippers - 106, Mavericks - 81

THE MODERATOR: Questions for Luka Doncic.

Q. How was your neck and your arm feeling tonight? We could see you kind of grabbing at it and in pain at certain points. But how much did you have to be fighting through and how did that feel?

LUKA DONCIC: I don't think that matters right now. We lost by 20. And the injuries are part of basketball, but I was 100 percent. So -- but I played terrible. So just gotta move on to the next one.

Q. Your half-court pass, it looked like it really bothered you. Where is the pain and are there certain things that make it flare up that are difficult to deal with?

LUKA DONCIC: The pain is in the neck and then the nerve down. I don't even know how to explain that, but it felt way better today, this morning than yesterday. And I just keep doing massages, ice it down and be ready for Wednesday.
