Coach Tyronn Lue

Press Conference

Q. How are you feeling after shootaround today?

TYRONN LUE: I feel good.

Q. Do you have a starting lineup yet?

TYRONN LUE: Yes.

Q. Do you remember it? Can you share it with us?

TYRONN LUE: Reggie, PG, Nico, Marcus and Zu.

Q. When you look at how fast that team plays, I think they were the fastest paced team in the league, how do you feel like change of pace changes in the Playoffs and how do you try and control the pace of the game tonight?

TYRONN LUE: Well, it usually slows down, but we're not for sure how they're going to play tonight, but the biggest thing with their pace is they get up early shots, and so catch on in transition, making threes, and advance passing where they're just attacking the basket early. We've just got to play good offense, make sure we get good floor balance and get back in transition, not allow these guys to make us turn the basketball over, which they're great at, and taking advantage of that.
