Pablo Sisniega

Press Conference

LAFC 6, L.A. Galaxy 2

Q. I can you speak obviously Diego Rossi and his performance, and also when did you find out you were going to be the starting goalkeeper for tonight's game?

PABLO SISNIEGA: Obviously Diego had an amazing performance. To score four goals is something that's at the reach of very few players and obviously he's a special kind of player, and he's stepping up right now. So obviously it was a great, great night for him.

And I found out yesterday and I just tried to get ready and do it -- like do everything to the best of my abilities.
