Pablo Sisniega

Press Conference

Los Angeles Football Club 3, Seattle Sounders 1

Q. Can you give us your thoughts on the game? You looked like you had a tough collision with Eddie. How are you feeling?

PABLO SISNIEGA: Obviously Seattle is a great team, and I'm just very happy that we were able to pull through and that we were able to suffer as a team in the moments where we had to suffer, and then we were able to get the three points. We started off great, and it was a good first half, and then in the second half in the moments where we had to suffer, we knew how to kind of contain that and suffer as a team and I think that's something that is important to develop in our game and something that's going to carry on throughout the season. I'm very happy with the win and it's a great team win.
