## Pablo Sisniega

Press Conference

Los Angeles Football Club 2,

**Q. Talk to us about how you feel with your first LAFC start of the 2021 season, first win, a couple of monster saves. Give us your thoughts?**

PABLO SISNIEGA: It felt great to be back at the Banc. It definitely felt amazing to have the fans; even though it's a limited-capacity crowd, it felt like we had the support of them behind us the whole game. And that just makes a huge difference for us. Very happy with the team and with the win and obviously with the clean sheet.

So yeah, just got to keep on going.

**Q. Sounds like you have a scratchy voice. Do you have to work up to getting to in-season voice so that you're not all hoarse at the end of games? And last year, you guys didn't post a ton of clean sheets, so how important is it to get the clean sheet today and to start off the season?**

PABLO SISNIEGA: So to the first question, having the fans back made a difference, and I lost my voice a little bit because of that because it's obviously awesome to have them back. It makes think job of communicating a little bit harder but it makes everything else just easier and a lot better. On the other note -- what's the other question? I'm sorry, I forgot.

**Q. Getting the clean sheet.**

PABLO SISNIEGA: Yeah, yeah, of course. Well, the clean sheets like I said earlier are super important for us as a team and as a unit. Definitely keeping a clean sheet in the first game and getting a good result was very important to us, and I am just very happy to be able to help.
