Diego Rossi

Press Conference

Los Angeles FC 2, Vancouver 2

DIEGO ROSSI: If the first half they played the five in the back and when I came in in the second half, Bob told us we were going to switch to 2-4 and we needed the subs to bring things in to turn things around after a very complicated first half.

Going to the national team has helped me to get more experience and it also helped me because I want to get more minutes, and just having more confidence in my game and I have a goal in mind and that is to help the team win and move forward.
