Press Conference

LAFC 3, Seattle 0

CRISTIAN ARANGO: The result, it was a great match where we all pushed and gave it all, 100 percent and we're happy with the result and hopefully we're able to get into the playoffs.

Seeing Carlos return was a happy feeling for us. We're happy to have Carlos back. He's a great leader. The supporters obviously love it and we do, too. Hopefully we can have him around for much more time and we can get rid of injuries.

Having Carlos back on the field is great for us, his leadership and technical ability will help us greatly.

As far as the goal, I decided to take a shot because the first time I didn't have an opportunity so I decided to take a shot and luckily it went in. As a forward, I must have shots. Otherwise I'm not doing my job.

But yeah, we were able to get the result and I'm very happy for that.

The last two games, Vancouver and Colorado, we are going to give it our all. God knows our destiny but we are going to give it our all, and we have the opportunity to play at home where we are strong and hopefully get a good result.
