Press Conference

Montreal 2, Chicago Fire 0

**Q. Just what's the mood of the team right now, not after just today, but the end of the six-game road trip?**

CHINONSO OFFOR: we are a bit down from the previous game that we had. We are all feeling down.

**Q. I know the team's goal is still to make the playoffs but that's looking less and less likely. Do you have any personal goals that you would like to accomplish before the end of this season?**

CHINONSO OFFOR: Firstly, we are not giving up until it's not possible. Personally would I like to score more. It's been difficult so far. My personal goal is still to score more and try to get a win -- more wins for the team.

**Q. Missing a few of the bigger name players on the team, whether it's the DPs, Calvo, where does that leadership come from? Who do you guys turn to in moments like this?**

CHINONSO OFFOR: I mean, the players we still had. With the missing leaders, we still have a few on the pitch like Johnny, Luka, even the ones on the bench can still lead from the bench. So it doesn't really matter who is missing on the pitch.
