An Interview with:

Christian Eckes

Q. What more did you need here to win the win?

CHRISTIAN ECKES: Just a couple more laps. Yeah, I felt like we were in a good position there. I felt like I was kind of a sitting duck in the leader, and of course it didn't turn out that way.

At the end of the day, really proud of these AHI Toyota Tundra guys. Obviously wish we could have won, but good way to start off the year.
