## Tyler Reddick

**Q. Tyler Reddick ultimately finishing third. Looked like you had the momentum on the last lap. Could you have done anything differently?**

**TYLER REDDICK:** Everything, yeah. It's really disappointing.

**Q. How do you deal with the disappointment and the frustration?**

**TYLER REDDICK:** I'm trying my best, but it's tough. I'm trying to keep it cool at the moment. I'm really upset about how that ended.

**Q. You did tell me this morning that this team needs to start putting together top-5 finishes, and it needs to start today, and you got that. Is there a positive thing you can take from today?**

**TYLER REDDICK:** No, all the good cars ran out of fuel, and we were in position to pass the 22. He hadn't been good all day long, and I didn't get the job done.
