Kyle Larson

Q. I'm joined by Kyle Larson. Came, oh, so close. Led 12 laps. I thought maybe this was going to be your night to get a drafting track win, but third place. You're so close. Take us through kind of those closing laps. What happened with you and Cindric and there at the end with three wide?

KYLE LARSON: Yeah, just a little bit of a lazy kind of up the track. He got there a little bit quicker than I thought he would. I thought he was going to pick me up on the exit at two. Yeah, that was probably my fault. I haven't seen a replay, but I'm sure that was my fault.

Yeah, the restart, I haven't seen it back. Obviously the 20 got to my right side, but I don't know. I don't know what I did wrong or right. I thought maybe the 20 picked me up. He was just going to push me and get clear of me into one anyway.

I think it kind of worked out okay. Then, yeah, just didn't get the caution to come out late enough until I got the run back to the inside. Came up a little bit short, but proud of the effort today by everybody on our HendrickCars.com Chevy. Yeah, finally finished at Atlanta and finally got to run up front.
