## Christopher Bell

**Q. Third race win in a row, Christopher. You had a dominant car for the majority of the day. It did not come without some drama at the end of the race, racing your teammate Denny Hamlin. How did you get that done?**

**CHRISTOPHER BELL:** How about that one, race fans? Oh, my gosh, man. Whenever you're sitting there dreaming it up, that's about as ugly as it gets. You put the red tires on, you're like, All right, what I don't want to happen is go 20, 30 laps, get a yellow. That happened. Then we went 10 more laps, had another yellow. It was all about who could get clear on the restart. Neither of us could. We were racing really, really hard there coming to the line.

JGR ran 1-2, how about that?
