An Interview with:

Josh Berry

Q. 53rd career start. Josh, you are now a Cup Series winner. How does that sound?

JOSH BERRY: Oh, man, I don't even know what to think. Just awesome. I love this track. Las Vegas has been so good to me. So many great moments here.

Just struggled in the Next Gen car here. But Miles and this whole 21 team, everybody at Wood Brothers Racing, they gave me a great car today. Just battled and battled and battled. Man, it was our day. I just can't believe it.

Such a battle with Daniel there at the end, beating and banging on a mile-and-a-half, crazy. Whoever was going to get out front was probably going to win. We were able to get in front.

Q. You joined the Wood Brothers in the off-season. Fifth race together. What does it mean for you to drive for this legendary team and get them to Victory Lane?

JOSH BERRY: It's just been incredible. They've been so good to me. It's just been a great relationship. Obviously thank everybody the Wood Brothers Racing, but Team Penske as well. They've welcomed me with open arms and tried to help me and accelerate this learning process as much as I can.

I can't say enough for Miles Stanley. He is so good at what he's doing. We have a great thing going on together. He really believes in me. Just kind of thank everyone at Motorcraft, Quick Lane, DEX Imaging, Ford. I know they're going to be excited about that one. I mean, we're just going to enjoy this moment.
