Ty Gibbs

Q. It has been a while since we've seen Ty Gibbs in the top five. A complete day today. You guys start six, run in the top five all day long. Has to feel good.

TY GIBBS: It's definitely really nice. We had a really good clean day, so you know, really happy to have that. It's been pretty chaotic start to our year. I think we're back where we're going to run.

But really excited for the future and to get back racing after this off weekend. I think we're really capable of winning a lot this year, so we'll see what we can do and go out and have a fun time, have a blast. So thank you to Toyota, Monster Energy, and Saia.

Q. You mentioned that chaotic start to the season. How tough is it as a driver when things aren't necessarily going your way, but you have had speed at times to keep your head down and keep focused and know that this is going to come?

TY GIBBS: I feel like we have great guys around me. We're capable of running really well, as we've seen. I don't think I'd worry about it at all too much.

Thank you to Monster Energy and thank you to Mitch Covington, David Gilliland, Rodney, and everybody. I appreciate them and LDN and excited for the future.
