An Interview with:

Joey Logano

THE MODERATOR: This certainly hasn't been the season we've come to expect from the defending series champion, Joey Logano. No top 5s. One top 10, Joey. How about this for redemption? How good does it feel to be back here?

JOEY LOGANO: The sport changes so quickly. It's crazy how you can just ride these roller coasters and just proud of the team. Finally get AAA Insurance into victory lane. They've been a partner of mine since I've been to Penske, so 13, 14 years. I've yet to win with them. It was awesome to get that done here.

The JL Kids Crew is here. We'll have fun with them on victory lane. A lot of people here. My family, they're at home. Hey, Brittany, the kids, love you guys. It's going to be a fun night.

Q. Joey, you started so deep in the field at a place where all of you drivers said it's going to be so hard to pass. How did you prevail and win this one in overtime?

JOEY LOGANO: Slowly, methodically, a couple at a time. We had a really tough pit stall situation. The pit crew did a good job of managing that and just grabbed a couple here and there. The car was fast. I knew that yesterday. We just did a poor job qualifying. Just grinded it. Just keep grinding a couple here and a couple there and eventually get a win here. It's nice to get one. Real nice.
