Pit Lane Interview

Sunday, May 4, 2025

Ryan Blaney

Q. Ryan Blaney comes home in third place today. Ryan, it was a full day for you today. A pit road speeding penalty. You guys battled back from that, get yourself back to the front. I know you were battling the car for a little while, but it seemed like it got really good at the end for the last restarts. What more did you need on the outside restarts?

RYAN BLANEY: Yeah, I don't know. The one time I didn't pick the outside, the 71 gets the lead, and then I couldn't get it back. Just driver making dumb decisions and not doing his job, so appreciate the 12 car was a fast car. Just can't do nothing right currently, so hopefully it will work itself out.
