*An Interview with:*

## Shane van Gisbergen

**Q. I know you're not a fan of cities, but this place changed your life two years ago. I think you might want to think about a temporary residence here in Chicago.**

**SHANE VAN GISBERGEN:** Yeah, I love this place.

What an amazing weekend for me. Lucky guy to drive some great cars. I thank Trackhouse, WeatherTech Chevy and all these guys and girls here, what an amazing weekend. Thanks everyone for coming out, and hope we put on a good show.

**Q. What is it about you and this racetrack that fits so well?**

**SHANE VAN GISBERGEN:** I guess we made some mistakes. There were some really fast cars, and we just seemed to get it right and make no mistakes, be smooth every lap. Really cool.

**Q. You and I chatted yesterday, you said this track is tougher than it's ever been. Why was it such a challenge this weekend?**

**SHANE VAN GISBERGEN:** It was very hot this weekend. The track was very slick and the times were a lot slower and the margin for error was very tiny. Just had to get it right, and I'm wrapped.

**Q. Four weeks ago you were out of the playoffs. Now you have 10 playoff points and Sonoma coming up next week.**

**SHANE VAN GISBERGEN:** How good is that. Unreal. We really come together as a team, got a lot better. Ross got a win, too, so brilliant. Thank you to everyone.
