Pit Lane Interview

Saturday, August 23, 2025

Daniel Suárez

Q. Finishing second with everything on the line to make the playoffs, was there anything different you could have done the last few laps?

DANIEL SUÁREZ: I don't know about the last few laps, but maybe 40 laps before the end. I felt like we didn't set up ourselves as good as we wanted to be, but that's not an excuse. The 12 was back there with us and he was able to make it to the front. Definitely probably the fastest superspeedway car we have had in a few years.

I can't thank enough Coca-Cola, Freeway Insurance, Quaker State, Jockey, Choice Hotels, all of our sponsors, Chevrolet, for all their support. Our playoff run ends here, but I'm very positive we're going to be in Victory Lane here very soon.
