An Interview with:

Joey Logano

Q. In that final two laps, did you realize how close it was between you and Ross Chastain?

JOEY LOGANO: Yeah, everyone was telling me how close it was going to be there, and gosh, what a -- fans, is that me? Is that who they're booing at? Oh, well. We're still alive, baby. We're still going. I'm so excited.

Such a close finish there. Yeah, knew it was within a point there. I knew we were going to be tied there at the end, and Ross was going to do whatever he had to do to make it happen. Geesh, just wasn't quite fast enough today with our car.

It's the drama of the playoffs. If you want drama, the playoffs bring it every time. What an entertaining finish there to come down to, like I said, a tie there basically at the end before the wreck.

Proud of Paul Wolfe. Made some really hard calls today. Three stop in the end there, kind of an audible there at the end. Just our fall-off was a little too much. So making that call there at the end was ultimately what kept us there in the game with just a few left.

You know, a championship performance from the team. Wish I was a little faster, but overall, I couldn't be more proud of the team. We still got a shot.

Q. Serious drama here at the ROVAL.
