Pit Lane Interview

Friday, October 31, 2025

Tyler Ankrum

Q. I know this is not the way you wanted to end this year with a bent-up race truck, fourth in the points. You have a lot of bright spots to look back at.

TYLER ANKRUM: Even tonight we worked really, really hard. We worked really hard on the truck. Finally got it right there in the third stage. We picked up a lot of spots very quickly. I felt like we had a very competitive truck at that point.

Sucked it took that long to get there. Yeah, no, everybody here's first time in the Final 4. Win at Rockingham. A bunch of top 5s, top 10s. Not much to complain about overall in the whole year.

Wish we would have just shown better in the Final 4. But we'll be back here next year.
