## Denny Hamlin

**Q. Denny, what's going on inside?**

**DENNY HAMLIN:** Yeah, nothing I can do different. Prepared as good as I could coming into the weekend. My team gave me a fantastic car. Just didn't work out. I was just praying that no caution. Had one there.

What can you do? Just not meant to be.

**Q. You ran away from everybody. The car had speed. The caution came out. What went through your head?**

**DENNY HAMLIN:** I thought still okay. We took four tires. I thought that definitely was the right call. Just so many cars took two there. Obviously put us back.

Team did a fantastic job. They prepared a championship car. Just didn't happen.

**Q. Can you do this again?**

**DENNY HAMLIN:** I'll try. I got a couple more shots at it. Man, if you can't win that one, I don't know which one you can win.
