Pit Lane Interview

Sunday, February 15, 2026

Brad Keselowski

Q. Brad, you said all you wanted was a chance. Bring me through those final laps and what happened?

BRAD KESELOWSKI: Yeah, a lot of chaos. Last restart I gave William Byron a great push, and just wasn't enough to move our lane. I was giving him all I had, and then right here at the end I had this huge run and the 35 wrecked us. Really disappointed.

Tore up the 9, tore up the 22, a bunch of cars that didn't deserve to be wrecked, so that was a big bummer and really stupid. Still a decent day for us to come home with a top 5 and to be competitive and have a shot to win.

Q. How is the leg?

BRAD KESELOWSKI: Great. Great. Once you're in the race car, I've got a fast Mustang and you're just digging.
