Denny Hamlin

Q. Denny Hamlin with his first top five of the year. Great job to have a solid performance all day long. What was it from your perspective?

DENNY HAMLIN: Yeah, just a fringe top three to four car all day. That's kind of all we had. The 20 and 12 were standouts there.

Yeah, great job by our Bob's Furniture Camry. Need to be a little better. There's not much else you can say. We'll download, figure out how we can be a little better. Seemed like a couple of our teammates there were really good that we can learn from.

Good top five and we'll move on.
