## Tyler Reddick

**Q. Tyler Reddick, all good things must come to an end. No four-peat for you guys. Great effort. Battled within the top 10. Take us through your day.**

**TYLER REDDICK:** We just kind of fought handling a little bit. Seemed like our Jordan Brand Toyota Camry had good speed. Kind of back and forth on which direction we needed to go with our Camry.

We kind of just hovered around fifth all day. We took those two tires there. I got a little tight on us at the end.

All in all, it would have been nice to make it four. Looking at the board over here, scored the fourth most amount of points on the day. That's kind of what we need to keep doing all year to keep the lead that we have and try and hang on to it.

Solid day. If we're not going to win, these are the kind of days we need to have. Glad to get out of here with some points.
