### Ty Gibbs

**Q. Ty, every week feel like we're talking after the race, stringing together good runs.**

**TY GIBBS:** Really good day for our 54 Monster Energy group. Thanks to Tom and Hilton, everybody at Monster that helps me, been with me my whole career.

Had a lot of fun today. Our Toyota Camry was fast. I need to do a little bit better of a job. Maybe next time I come back, I'll be even better than this. Had a lot of fun today. Thank you to my team. My pit crew killed it. It was a blast. Good overall day for us. We'll keep going forward.

**Q. Your first top five at Martinsville, top 10 at Martinsville. Is there any weakness to this team right now?**

**TY GIBBS:** I feel like we're really strong. I keep capitalizing on it, remind me to keep doing my job. Yeah, just had a lot of fun today. We'll keep going. Thank you to Monster Energy, thank you to Oakley, thank you to Anthony and everybody that helps me out with my career and been with me my whole life. So it's been a lot of fun. I'll keep working hard, keep capitalizing on it.
