Pit Lane Interview

Sunday, April 12, 2026

Tyler Reddick

Q. A lot that happened in the middle. Overcame a speeding penalty. How does this one feel?

TYLER REDDICK: It feels really good. Yeah, for me, unfortunately, miscommunication before that first pit sequence. Just had my wrong mark.

It was a really good bounce-back for our Toyota Camry. Billy, everybody on this 45 team did a really good job. Yeah, we had to fight for it all day long. We had more speed this time around, which was great, but unfortunately still fighting brake and steering issues along the way. Very physical day inside the race car.

I may even take a day off tomorrow (smiling).
