Pit Lane Interview

Sunday, April 12, 2026

Chase Briscoe

Q. Chase, take me through your day.

CHASE BRISCOE: Yeah, a clean, solid executed race. It's what we needed. We weren't good enough speed-wise for the top two or three guys. We just hung around that fifth to seventh place all day long. Needed a little bit more.

Yeah, clean, solid day. That's what we needed. Super happy for Ty. It's been a long time coming. To do it the way he did it, on old tires, to beat the two guys that dominated all day long, that I was impressive.

Just super happy for him and the whole family. Looking forward to seeing him in Victory Lane.
