*An Interview with:*

## Tyler Reddick

**Q. Tyler, a couple laps to go, you stumble. Then the caution comes out. You have to pit, then you go up against Denny Hamlin. How did you prevail?**

**TYLER REDDICK:** Just really blessed with the late caution. Was that nuts or what? I couldn't believe it. I mean, first off, I feel like I have to say obviously just for how I feel. I never like being on the inside of it. Really hate that for Christopher Bell. Good, hard racing. The 11 came up, I mean, I took off tight. Not thrilled I got Christopher there. I hate that for him because he was having a good, solid day.

Man, these late race restarts get crazy. I obviously had a run on the 5. I was shocked I was able to get to his inside there. An incredible SupplyHouse Toyota Camry all day long. Yeah, it was really painful to get that late caution.

**Q. How much time and effort does this team put in to get back to this moment?**

**TYLER REDDICK:** Yeah, a lot. We were really solid here last fall. The car was a lot like that here again this weekend. We didn't lead a lot of laps. I let Denny get away there and save one. We were behind running him in most of the time.

Yeah, to be able to make the right call, great call by Billy to put two tires on. We didn't have the cleanest restart. I tried to cover the 20. He got outside. We were three-wide and just all ran out of room.

**Q. What is it about MJ's presence?**

**TYLER REDDICK:** Got to deliver for boss, man. If he's going to hang out for us, we got to get him dubs (smiling).
